GENERAL INFORMATION

Initiatives

An Initiative is the power of the electors to propose a new ordinance by which they will be governed. An Initiative is placed on the ballot after its proponents have successfully met a series of deadlines.

Referenda

A referendum is the submission of an ordinance, proposed or already in effect, to a direct vote of the people. By using referendum powers, the legislative board of a jurisdiction (e.g., Board of Supervisors, city council) may ask registered voters to decide on the enactment, repeal, or amendment of any ordinance. Additionally, voters may independently circulate a petition protesting the adoption of an ordinance and request that the issue be put up for a popular vote.

COUNTY INITIATIVES

A. ORDINANCES

1. Notice of Intention

Before circulating any initiative petition in a county, its proponents shall file with the county elections official a notice of intention to do so. The notice shall include the names and business or residence addresses of at least one but not more than five proponents of the petition, and shall be accompanied by the written text, not exceeding 500 words in length, stating the reasons for the proposed petition, and a request that a ballot title and summary be prepared. The notice shall be in substantially the following form:

Notice of Intention to Circulate Petition

Notice is hereby given by the persons whose names appear hereon of their intention to circulate the petition within the County of _____ for the purpose of _____. A statement of the reasons of the proposed action as contemplated in the petition is as follows: EC §§ 9103(a), 9104

2. Deposit of Fee

Any person filing a notice of intention with the county elections official shall pay a fee to be established by the Board of Supervisors not to exceed two hundred dollars (\$200.00) to be refunded to the filer if, within one year of the date of filing the notice of intention, the county elections official certifies the sufficiency of the petition. EC § 9103(b)

3. Ballot Title and Summary

The county elections official shall immediately transmit a copy of any proposed measure to the county counsel. Within 15 days after the proposed measure is filed, the county counsel shall provide and return to the county elections official a ballot title and summary for the proposed measure. The ballot title may differ from any other title of the proposed measure and shall express in 500 words or less the purpose of the proposed measure. In providing the ballot title, the county counsel shall give a true and impartial statement of the purpose of the proposed measure in such language that the ballot title shall neither be an argument, nor be likely to create prejudice, for or against the proposed measure. EC § 9105(a)

4. Publication of the Notice of Intention

The county elections official shall furnish a copy of the ballot title and summary to the proponents of the proposed measure. The proponents shall, prior to the circulation of the petition, publish the Notice of Intention, and the ballot title and summary of the proposed measure in an adjudicated newspaper of general circulation published in that county, and file proof of publication with the county elections official. EC § 9105(b)

5. Petition Preparation

Initiative proponents are responsible for the preparation and printing of the petition. The ballot title and summary prepared by the county counsel shall appear upon each section of the petition, above the text of the proposed measure and across the top of each page of the petition on which signatures are to appear, in roman boldface type not smaller than 12 point. The ballot title and summary shall be clearly separated from the text of the measure. The text of the measure shall be printed in type not smaller than 8 point.

(Petition Preparation continued)

The heading of the proposed measure shall be in substantially the following form:

7. Form of the Petition

Notwithstanding any other provision of law, whenever any initiative or referendum is required to be signed by voters of any county, city, school district, or special district subject to petitioning, only a person who is an eligible registered voter at the time of signing the petition is entitled to sign it. Each signer shall at the time of signing the petition personally affix his or her signature, printed name, residence address, giving street and number, and if no street or number exists, then a designation of the residence address which will enable the location to be readily ascertained and the name of the incorporated city or unincorporated community.

A blank space at least one inch wide to the right of each name must be included for the use of the elections official in verifying the petition. The part of a petition for the voters' signatures, printed names, and residence addresses and for the blank spaces for verification purposes shall be numbered consecutively commencing with the number one and continuing through the number of signature spaces allotted to each section. The number of signatures attached to each section shall be at the pleasure of the person soliciting the signatures. EC § 9020

8. Circulation of Petition

A person who is 18 years of age or older may circulate an initiative or referendum petition anywhere within the state. EC §§ 102, 104

The proponents may commence to circulate the petitions among the voters of the county for signatures by any registered voter of the county after publication of the title and summary prepared by the county counsel. EC § 9108

9. Declaration of Circulator

a.) Whenever any petition is submitted to the elections official, each section of the petition shall have attached to it a declaration signed by the circulator of the petition, setting forth, in the circulator's own hand, the following:

- i.) the printed name of the circulator, the residence address of the circulator, giving street and number, or if no street or number exists, adequate designation of residence so that the location may be readily ascertained;

- ii.) that according to the best information and belief of the circulator, each signature is the genuine signature of the person whose name it purports to be;
- iii.) that the circulator is 18 years of age or older.

10. When to Circulate the Petition

The proponents may commence to circulate the petition among the voters of the county for signatures by any registered voter of the county after publication of the title and summary prepared by the county counsel. Each section of the petition shall bear a copy of the notice of intention, and the title and summary prepared by the county counsel. EC § 9108

During the circulation of the petition or before taking any action to either submit the initiative to the voters or enact the ordinance, the Board of Supervisors may refer the initiative to any county agency or agencies for review and a report on its effect and fiscal impact. The report shall be presented to the Board of Supervisors no later than 30 days after certification of the petition's sufficiency by the county elections official to the Board of Supervisors. EC § 9111

11. Who May Sign the Petition

Each section of the petition shall bear the name of the county. Only persons who are eligible registered voters of the county at the time of signing the petition are entitled to sign it. The circulator may sign the section he or she is circulating. The signature of the circulator shall be given the same effect as that of any other qualified signer. EC §§ 100, 106, 9020, 9021

A voter who is unable to personally affix on a petition the information required may request another person to print the voter's name and place of residence on the appropriate spaces of the petition, but the voter shall personally affix his or her mark or signature on the appropriate space of the petition, which shall be witnessed by one person by subscribing his or her name thereon. EC § 100.5

12. When to File the Petition

Signatures shall be secured and the petition shall be presented to the county elections official for filing within 180 days from the date of receipt of the title and summary, or after termination of any action for a writ of mandate, pursuant to Elections Code 9106 and, if applicable, after receipt of an amended title or summary, or both, whichever occurs later. EC § 9110

13. Filing the Petition

The petition shall be filed by the proponents, or by any person or persons authorized in writing by the proponents. All sections of the petition shall be filed at one time. Any sections of the petition not so filed shall be void for all purposes. Once filed, no petition section shall be amended except by order of a court of competent jurisdiction.

When the petition is filed, the county elections official shall determine the total number of signatures affixed to the petition. If, from this examination, the county elections official determines that the number of signatures, prima facie, equals or is in excess of the minimum number of signatures required, the county elections official shall examine the petition in accordance with Elections Code 9114 or 9115. If, from this examination, the county elections official determines that the number of signatures, prima facie, does not equal or exceed the minimum number of signatures required, no further action shall be taken. EC § 9113

14. Examination of Signatures

Unless a random sampling technique is used as provided in Elections Code 9115, within 30 days from the date of filing of the petition, excluding Saturdays, Sundays, and holidays, the elections official shall examine the petition, and from the records of registration ascertain whether or not the petition is signed by the requisite number of voters. A certificate showing the results of this examination shall be attached to the petition.

The elections official shall notify the proponents of the petition as to the sufficiency or insufficiency of the petition.

If the petition is found insufficient, no further action shall be taken. However, the failure to secure sufficient signatures shall not preclude the filing of a new petition on the same subject, at a later date.

If the petition is found sufficient, the elections official shall certify the results of the examination to the Board of Supervisors at the next regular meeting of the board. EC § 9114

Pursuant to Elections Code 9114, if the petition contains more than 500 signatures, the elections official may use a random sampling technique for verification of signatures. The random sampling shall include an examination of at least 500, or 3 percent of the signatures, whichever is greater. EC § 9115

15. Disposition of Sufficient Petition

a.) If the initiative petition is signed by voters not less in number than 20 percent of the entire vote cast within the county for all candidates for Governor at the last gubernatorial election preceding the publication of the notice of intention to circulate an initiative petition, and contains a request that the ordinance be submitted immediately to a vote of the people at a special election, the Board of Supervisors shall do one of the following:

When the report is presented to the Board of Supervisors, it shall either adopt the ordinance within 10 days or order an election pursuant to subdivision (b). EC § 9116

 - i.) Adopt the ordinance without alteration at the regular meeting at which the certification of the petition is presented, or within 10 days after it is presented.
 - ii.) Submit the ordinance, without alteration, to the voters pursuant to subdivision (b) of Elections Code 1405, unless the ordinance petitioned for is required to be, or for some reason is, submitted to the voters at a special election pursuant to subdivision (a) of Elections Code 1405, 9118.
 - iii.) Order a report pursuant to Elections Code 9111 at the regular meeting at which the certification of the petition is presented. When the report is presented to the Board of Supervisors, it shall either adopt the ordinance within 10 days or order an election pursuant to subdivision (b). EC § 9118

16. Requirements for Ordinance to Become Effective

If a majority of the voters voting on a proposed ordinance vote in its favor, the ordinance shall become a valid and binding ordinance of the county. The ordinance shall be considered as adopted upon the date the vote is declared by the Board of Supervisors, and shall go into effect 10 days after that date. EC § 9122

17. Conflicting Ordinances

If the provisions of two or more ordinances adopted at the same election conflict, the ordinance receiving the highest number of affirmative votes shall control. EC § 9123

18. Repeal of Ordinance

No ordinance proposed by initiative petition and adopted either by the Board of Supervisors without submission to the voters or adopted by the voters shall be repealed or amended except by a vote of the people, unless provision is otherwise made in the original ordinance. In all other respects, an ordinance proposed by initiative petition and adopted shall have the same force and effect as any ordinance adopted by the Board of Supervisors. EC § 9125

ENACTING, AMENDING, REVISING OR REPEALING THE COUNTY CHARTER

All provisions of law relative to the initiative may be invoked by the electors of this County, and all ordinances that may be passed by the Board of Supervisors, shall be subject to referendum whenever the use of initiative or referendum is permitted by law. (Sacramento County Charter Section 73)

Any proposal to enact, amend, or otherwise revise a county charter by initiative petition may be submitted to the Board of Supervisors and shall be subject to Article 1, commencing with 9100 of the Elections Code. However, nothing in this article shall be construed to allow a Board of Supervisors to enact, amend, or otherwise revise a county charter without submitting the proposal to the voters. EC § 9102

1. Methods

A county charter may be amended by proposals submitted by the governing body or by a petition signed by 10 percent of the qualified electors of the county, computed upon the total number of votes cast in the county for all candidates for Governor at the last general election at which a Governor was elected, filed in the office of the county elections official, petitioning the governing body to submit a proposed amendment or amendments to the charter of the county to the qualified electors of the county, which amendment or amendments are set forth in full in the petition.

A county charter may be repealed by proposals submitted by the governing body or by a petition signed by 10 percent of the qualified electors of the county computed upon the total number of votes cast in the county for all candidates for Governor at the last general election at which a Governor was elected. The petition, petitioning the governing body to submit the question of charter repeal to the qualified electors of the county, shall be filed in the office of the county elections official. GOV § 23720

2. Submission to Voters and Alternative Proposals

Upon the presentation of a petition, or upon its own submission of a proposal to amend or repeal the charter, the governing body shall submit the amendment or amendments proposed, or the question of the repeal of the charter to the eligible registered voters of the county at a special election held on the next established election date not less than 88 days after the presentation of the petition, or submission of the proposal. In submitting the question of charter repeal or amendment, any alternative article or proposition may be presented for the choice of the voters, and may be voted on separately without prejudice to others.

The county elections official shall cause the complete text of the proposed amendment or amendments to be printed. A copy of the proposed amendment or amendments shall be made available to any voter upon request.

The impartial analysis prepared pursuant to 9160 of the Elections Code shall include a statement notifying voters that they may call the county elections official's office and request that a copy of the proposed amendment or amendments to the charter be mailed to them at no cost. GOV § 23722

3. Ratification

If a majority of electors voting, at a general or special election, shall vote in favor of the proposed amendment or amendments or in favor of charter repeal, the amendment or amendments or charter repeal shall be deemed to be ratified but shall not take effect until accepted and filed by the Secretary of State, pursuant to the provisions of Government Code 23724. GOV § 23723
