

NOTICE OF INTENTION TO CIRCULATE RECALL PETITION

TO THE HONORABLE Zima Creason, Pursuant to Section 11020, California Elections Code, the undersigned registered qualified voters of the San Juan Unified School District, of the County of Sacramento in the State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of Clerk, in the San Juan Unified School District School Board, Sacramento, California, and to demand election of a successor in that office.

The grounds for the recall are as follows:

Parents and Citizens of Sacramento seek to recall Zima Creason, Board Member San Juan Unified School District. Creason is failing to represent her constituents. She is denying and rationing students access to schools, staff, and services. Her actions are having undeniably profound, and negative consequences on students, of which she is fully aware. Although the health department and the Governor issued guidance and executive orders concerning education, Creason is undoubtedly using her local authority to reduce the district's liability and keep students out of the classrooms. She continues to survey parents/staff, who have responded with a majority vote to return to school; and continues to vote against the return to in-person learning even when it was safe to do so. Much of the "guidance" Creason is using appears to conflict with or has superseded long standing laws and education codes. Actions of Creason have clearly reduced the instructional minute students receive. Parents can no longer condone these reckless and ill-advised actions of Creason. She was elected and sworn to uphold laws; not outside "guidance" she has allegedly received that facilitates disparities, widens achievement gaps, and harms students in ways she has failed to either calculate, consider, or resolve.
