

**CITY OF ISLETON
MEASURE B**

B “For a period of five (5) years shall a one-half percent transactions and use tax, to be used solely to fund fire protection needs for the City of Isleton, **be adopted?**”

IMPARTIAL ANALYSIS OF MEASURE B

Prepared by Isleton City Attorney

The City Council of the City of Isleton has placed Measure B on the June 7, 2016 ballot. California Revenue and Taxation Code section 7285.91 authorizes the City Council to levy a special transactions and use tax via ordinance, provided the ordinance establishing the tax is ultimately approved by the voters. Measure B would, if approved by voters, raise revenue for fire protection services in the City of Isleton by establishing a 0.50 percent (i.e., 1/2 cent) transactions and use tax for a period of five years.

A transactions and use tax is administered by the State Board of Equalization. Once established, a transactions and use tax is allocated to the city where any goods are delivered or placed into use. The transactions and use tax that would be established by Measure B is considered to be a “special tax.”

As a “special tax,” the revenue generated by Measure B may only be used for specific purposes. The ballot question for Measure B states that the 0.50 percent transactions and use tax will be used “solely to fund fire protection needs for the City of Isleton.” Because this transactions and use tax would be a “special tax,” the City of Isleton would be required to use tax proceeds only for these services. The Measure requires that the City Council appoint a committee to review and make a public report on the revenue generated from Measure B and expenditures of that revenue.

Finally, because Measure B is a “special tax,” it will only be approved if it receives a 2/3 (over 66.66%) vote in favor of the Measure. If approved, Measure B would become operative on October 1, 2016, and would remain in effect until September 30, 2021, a period of five years. The tax would expire at the end of the five-year period.

A “**YES**” vote is a vote to approve the ordinance levying the 0.50 percent transactions and use tax. A “**NO**” vote is a vote against the tax.

**ORDINANCE NO. CC 2015-11
AN AMENDMENT TO ORDINANCE NO. 2014-05-AN ORDINANCE
OF THE CITY OF ISLETON
IMPOSING A SPECIAL TRANSACTIONS AND USE TAX TO BE
ADMINISTERED BY THE STATE BOARD OF EQUALIZATION**

Section 1. TITLE. This ordinance shall be known as the Isleton Special Transactions and Use Tax Ordinance. The city of Isleton hereinafter shall be called “City.” This ordinance shall be applicable in the incorporated territory of the City.

Section 2. OPERATIVE DATE. “Operative Date” means the first day of the first calendar quarter commencing more than 110 days after the adoption of this ordinance, the date of such adoption being as set forth below.

Section 3. PURPOSE. This ordinance is adopted to achieve the following, among other purposes, and directs that the provisions hereof be interpreted in order to accomplish those purposes:

A. To impose a retail transactions and use tax in accordance with the provisions of Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code and Section 7285.91 of Part 1.7 of Division 2 which authorizes the City to adopt this tax ordinance which shall be operative if two-thirds of the electors voting on the measure vote to approve the imposition of the tax at an election called for that purpose.

B. To adopt a retail transactions and use tax ordinance that incorporates provisions identical to those of the Sales and Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code.

C. To adopt a retail transactions and use tax ordinance that imposes a tax and provides a measure therefore that can be administered and collected by the State Board of Equalization in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the State Board of Equalization in administering and collecting the California State Sales and Use Taxes.

D. To adopt a retail transactions and use tax ordinance that can be administered in a manner that will be, to the greatest degree possible, consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use taxes, and at the same time, minimize the burden of record keeping upon persons subject to taxation under the provisions of this ordinance.

Section 4. CONTRACT WITH STATE. Prior to the operative date, the City shall contract with the State Board of Equalization to perform all functions incident to the administration and operation of this transactions and use tax ordinance; provided, that if the City shall not have contracted with the State Board of Equalization prior to the operative date, it shall nevertheless so contract and in such a case the operative date shall be the first day of the first calendar quarter following the execution of such a contract.

Section 5. TRANSACTIONS TAX RATE. For the privilege of selling tangible personal property at retail, a tax is hereby imposed upon all retailers in the incorporated territory of the City at the rate of 0.5% of the gross receipts of any retailer from the sale of all tangible personal property sold at retail in said territory on and after the operative date of this ordinance.

Section 6. PLACE OF SALE. For the purposes of this ordinance, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the state sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the State or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the State Board of Equalization.

Section 7. USE TAX RATE. An excise tax is hereby imposed on the storage, use or other consumption in the City of tangible personal property purchased from any retailer on and after the operative date of this ordinance for storage, use or other consumption in said territory at the rate of 0.5% of the sales price of the property. The sales price shall include delivery charges when such charges are subject to state sales or use tax regardless of the place to which delivery is made.

Section 8. ADOPTION OF PROVISIONS OF STATE LAW. Except as otherwise provided in this ordinance and except insofar as they are inconsistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code are hereby adopted and made a part of this ordinance as though fully set forth herein.

Section 9. LIMITATIONS ON ADOPTION OF STATE LAW AND COLLECTION OF USE TAXES. In adopting the provisions of Part 1 of Division 2 of the Revenue and Taxation Code:

A. Wherever the State of California is named or referred to as the taxing agency, the name of this City shall be substituted therefor. However, the substitution shall not be made when:

1. The word "State" is used as a part of the title of the State Controller, State Treasurer, State Board of Control, State Board of Equalization, State Treasury, or the Constitution of the State of California;

2. The result of that substitution would require action to be taken by or against this City or any agency, officer, or employee thereof rather than by or against the State Board of Equalization, in performing the functions incident to the administration or operation of this Ordinance.

3. In those sections, including, but not necessarily limited to sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to:

a. Provide an exemption from this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not otherwise be exempt from this tax while such sales, storage, use or other consumption remain subject to tax by the State under the provisions of Part 1 of Division 2 of the Revenue and Taxation Code, or;

b. Impose this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not be subject to tax by the state under the said provision of that code.

ARGUMENT IN FAVOR OF MEASURE B

This is a special sales tax to help supplement the funding of the Isleton Fire Department. The funds generated from this tax will help purchase and replace aging and outdated Fire Department equipment and help update training for all Fire Department personnel. With the passing of this sales tax increase we will be able to purchase much needed equipment that we have been going without and help update our training to meet the ever changing guidelines set forth by both the state and federal government. Please approve this measure and help better equip the Isleton Fire Department so that we can continue to provide the high level of service that this great community has come to expect from us.
