INCOMPATIBILITY OF OFFICES

The Political Reform Act does not prohibit any office holder from holding multiple public offices or seeking more than one elective office. For example, a deputy district attorney can hold the office of city councilmember, or a water board director may also be elected to a park and recreation district. There are, however, instances of holding more than one office that are considered incompatible.

There is no single statute that defines “incompatible offices”. The common law doctrine of incompatibility of offices, however, prevents an elected official from holding two offices simultaneously if the offices have overlapping and conflicting public duties.

The courts have defined this concept as follows: “One individual may not simultaneously hold two public offices where the functions of the offices concerned are inherently inconsistent, as where there are conflicting interests, or where the nature of the duties of the two offices is such as to render it improper due to considerations of public policy for one person to retain both.”

The State of California Attorney General’s Office has issued many opinions of particular compatibility questions. Here are six examples of incompatible offices:

1. City councilmember and school district board member where the city and the school district have territory in common;
2. Fire Chief of a county fire protection district and member, county board of supervisors of the same county;
3. High school district trustee and trustee of an elementary school district which is wholly within the geographic boundaries of the high school district;
4. Water district director and a city councilmember;
5. Water district director and a school district trustee having territory in common; and
6. Deputy sheriff and county board of supervisors.

If you have any questions about whether two public offices which you hold or seek to hold would be considered incompatible, visit the Attorney General's Website at <https://oag.ca.gov> for further information.

Filing for Two Offices at the Same Election

A candidate for school and college districts must be registered voters in the district (and trustee area, if any) at the time the Declaration of Candidacy is filed. A person may not file for more than one school or college district office at the same election. Elections Code § 10603

BALLOT DESIGNATION

There are specific laws and regulations that govern whether or not a ballot designation is acceptable or unacceptable for printing on the ballot. These rules are outlined in California Elections Code sections §13107, §13107.3, §13107.5 and California Administrative Code sections §20710-20719.

The purpose of the Ballot Designation Worksheet is for the candidate to give information to substantiate his or her Ballot Designation. It must be completed in its entirety. The candidate signs this worksheet under penalty of perjury that the Ballot Designation and the provided back-up information are accurate.

SELECTING YOUR BALLOT DESIGNATION

The ballot designation describes the current principle profession, vocation, occupation, or incumbency status of the candidate that will appear on the ballot under the candidate's name.

The listing of a designation on the ballot is **OPTIONAL**. Ballot designations become public record once the information is filed on the Declaration of Candidacy. Ballot designations cannot be changed after the final date to file nomination documents.

GENERAL GUIDELINES FOR ACCEPTABLE BALLOT DESIGNATIONS

Words that designate the candidates elective city, county, district, state, or federal office which the candidate holds at the time of filing the nomination documents to which he/she was elected by vote of the people or appointed. **There is no word limit for the official title of the office.**

Example: **Governing Board Member, Los Rios Community College District**
 Mayor
 City Clerk
 Assemblymember

Words that designate the candidates principle profession, vocation, or occupation in three words or less. The candidate's involvement with this activity must involve a substantial amount of time and effort and is the candidate's primary or main profession, vocation or occupation.

Example: **School Teacher** **(* the use of "teacher" applies to credentialed teachers)**
 Attorney **(profession/occupation)**
 Small Business Owner **(three words or less)**
 Homemaker **(vocation)**

The word incumbent may be used if the candidate is running for the same office that the candidate holds at the time of filing nomination documents and to which the candidate was elected by vote of the people or appointed. This includes incumbents elected in- lieu of an election.

Example: Mr. Smith is running for re-election to the same office. He can use "Incumbent" as his ballot designation because he currently holds that office.

If the candidate was appointed to an office and is filing as a candidate for election to the same office then that candidate must use the words "appointed incumbent" or "appointed" and the title of the office held.

Example: Mr. Smith was appointed to a vacancy on a board. He is now running for the same office. He can use "Appointed Incumbent" or "Appointed Governing Board Member".

Ballot Designation Basic Test	Answer	Ballot Designation Basic Test	Answer

BALLOT DESIGNATION RULES AND REGULATIONS CONTINUED

GENERAL GUIDELINES FOR UNACCEPTABLE BALLOT DESIGNATIONS

Candidate may not use a designation that would mislead voters and suggest an evaluation of the candidate such as "outstanding" or "expert". Words that use a prior status such as "former" or "ex" will not be accepted. Words that use the name of a political party, refers to racial, religious or ethnic groups are also unacceptable.

Example:	Expert Mechanic	(uses an adjective that is an evaluation of the candidate)
	Former Pilot	(uses "former" which is a status may use "retired" instead)
	Catholic Priest	(makes reference to a specific denomination or religious group)

A status is a state, condition, social position or legal relation of the candidate to another person, persons or the community as a whole. A status fails to identify with a specific means by which the candidate earns his or her livelihood or spends the substantial majority of his or her time.

Examples of unacceptable status include:

Concerned Citizen
Taxpayer
Philanthropist
Veteran
Neighborhood Community Leader
Husband

No Ballot Designation Requested

A ballot designation is optional. If no ballot designation is requested, a Ballot Designation Worksheet is not required. In the event a candidate fails to file a Ballot Designation Worksheet, no designation shall appear under the candidate's name on the ballot.

Reviewing the Ballot Designation

In reviewing the nomination documents, the Registrar of Voters' staff will verify that the Ballot Designation meets the basic restrictions set forth in this section, such as the three-word limitation and the use of "Incumbent". If the designation is found to be in violation of any of the restrictions set forth in this section, the elections official shall notify the candidate by registered or certified mail return receipt requested, addressed to the mailing address appearing on the candidate's nomination documents.

The candidate shall, within three days from the date of receipt of the notice, appear before the elections official or, in the case of the Secretary of State, notify the Secretary of State by telephone, and provide an alternate designation. In the event the candidate fails to provide an alternate designation, no designation will appear after the candidate's name.

Use of the words "Advocate" or "Educator"

The use of "Advocate" and "Educator" may only be used if this is the candidate's official job title. Documentation is required.

Changing the Ballot Designation

No ballot designation given by a candidate shall be changed by the candidate after the final date for filing nomination documents, except as specifically requested by the elections official to change an unacceptable designation or because of a challenge or writ of court.

The designation shall remain the same for all purposes of both Primary and General Elections, unless the candidate, at least 98 days prior to the General Election, requests in writing a different designation. The written request must be accompanied by a Ballot Designation Worksheet.

Challenging the Ballot Designation

Challenging a ballot designation must be done by filing a Writ of Mandate with the Superior Court no later than Thursday, August 27, 2020 (E-68).

It is not the responsibility of the Registrar of Voters' staff to investigate if the facts indicated by the candidate are valid. The Ballot Designation Worksheet is used as back-up for his or her Ballot Designation in the event the Ballot Designation is challenged.

CHARACTER-BASED NAMES

Assembly Bill 57 (2019) requires that any ballot providing a translation of a candidate's name, in jurisdictions required to provide translated ballot materials, contain a phonetic transliteration of the candidate's name unless certain conditions are met and as specified:

- Permits a candidate who has a character-based name by birth, which can be verified by birth certificate or other valid identification, to use that name on the ballot instead of a phonetic transliteration.
- Permits a candidate who does not have a character-based name by birth, but who identifies by a particular character-based name and can demonstrate that the candidate has been known and identified within the public sphere by that name over the past two years, to use that name instead of phonetic transliteration.

If a candidate's name is to appear in more than one jurisdiction in an election, all of those jurisdictions are required to provide translated ballot materials and shall use the same phonetic transliteration or character-based translation of the name. (Elections Code § 13211.7)

Candidates with a character-based name will be required to fill out a Character-Based Name Form, similar to the one below, and submit supporting documents.

Translations in Sacramento County apply to character-based language names in Chinese.

CANDIDATE STATEMENT

Each candidate for nonpartisan elective office and certain party nominated offices may prepare an optional candidate statement at their own expense. The candidate statement is designated to acquaint voters with a candidate's qualifications for the office he or she is seeking. The candidate statement is incorporated into the County Voter Information Guide, and will be mailed to all registered voters eligible to vote for that particular candidate.

Notice to Candidates

All candidates, regardless of whether or not they choose to publish a candidate statement, are required to complete and file a candidate statement form.

When to File

The candidate statement must be filed at the time the Declaration of Candidacy and all other candidate documents are filed.

Where to Pay

All candidate statement fees are paid at the Voter Registration and Elections office. Fees must be paid at the time the statement is filed. Please make your check or money order payable to the County of Sacramento.

Where to File

Candidate statements to be printed in Sacramento County's Voter Information Guide must be filed in person at the Voter Registration and Elections office. Candidates for city offices file all documents, including the candidate statement, with the appropriate City Clerk.

Confidentiality of Statements

Notwithstanding any other provisions of law, candidate statements filed shall remain confidential until the close of the nomination period for the office sought.

Withdrawal of Statement

The statement may be withdrawn, but not changed, during the period for filing nomination papers and until 5:00 p.m. on the next business day after the close of the nomination period. Any request for withdrawing a candidate statement must be done in writing and signed by the candidate. A new statement cannot be filed to replace a withdrawn statement.

In the event there is no opposition for a particular contest, candidates may withdraw their candidate statement.

Public Examination

Candidate statements are available to view and/or copies purchased after the deadline for filing has passed. Elections Code 13313 allows for a 10-calendar day public examination period of all candidate statements prior to submittal for printing in the County Voter Information Guide. During this period, the Elections Official, or any voter of the jurisdiction in which the election is being held, may seek a writ of mandate or an injunction requiring any or all of the material in the candidate statements to be amended or deleted.

Challenge of Contents

Any candidate in an election or incumbent in a recall election who knowingly makes a false statement of a material fact in a candidates statement with the intent to mislead the voters in connection with his or her campaign for nomination or election to a nonpartisan office is punishable by a fine not to exceed one thousand dollars (\$1,000).

CANDIDATE STATEMENT COST INFORMATION

Because of the many unknown factors involved in printing, handling, mailing and the number of candidates filing statements, it is difficult to determine, prior to the election, the exact cost to each candidate who avails themselves of this service. The cost estimates provided are based upon historical data and a projection of statistics available approximately six months prior to the election. The actual cost may vary significantly from the estimate specified. Candidates must pay any difference between the estimated cost and the actual cost within 30 days of receiving the bill.

State Senate and State Assembly

Candidates for State Senate and State Assembly may purchase statement space only if they have agreed to the voluntary expenditure limits.

Shared Districts

CANDIDATE STATEMENT REQUIREMENTS

Check your statement for errors in spelling, punctuation and grammar. No responsibility or liability is assumed by Sacramento County Voter Registration and Elections for errors in spelling, punctuation or grammar, etc.; the statement is entirely the candidate's responsibility.

Candidate Statement Form

A Candidate Statement Form must be completed prior to filing. On this form, candidates will indicate whether or not they elect to file a candidate statement and will submit the printed text of the statement if they choose to file one. While the form provided is not mandatory, our office highly recommends that you use it as a template for your Candidate Statement if you want your statement published in our County Voter Information Guide.

Restrictions

The candidate statement shall not include the political party affiliation of the candidate nor membership or activity in partisan political organizations. Candidate photographs are not permitted.

Candidate statements should be about the candidate's own personal background and qualifications and shall not in any way make reference to other candidates or their qualifications, character or activities. Moreover, no statement shall contain any demonstrably false, slanderous or libelous statements or any obscene or profane language.

Maximum Amount of Words and Paragraphs

Your candidate statement shall not exceed the maximum amount of words and paragraphs as specified on the previous page. If your statement exceeds the maximum amount of words, the elections official will remove words starting at the end of the statement until the word count is correct. If your statement exceeds the maximum amount of paragraphs, the elections official will combine paragraphs starting at the end of the statement until the paragraph count is correct.

Permission

If you use someone else's name in your statement, you must file with your statement, an original letter from them stating that they are giving you permission to use their name in this manner. Letters must be signed and dated.

Endorsements

Statements containing endorsements must be accompanied by written authorization letter(s) from the person(s) and/or organization(s) offering the endorsement at the time your statement is submitted. Letters must be signed and dated.

Example A: "...I am endorsed by County Supervisor John Doe, Senator Jane Smith and the Sacramento League of Women Voters."

In Example A, the elections office would require an email, facsimile or copy of the letter of endorsement from Supervisor Doe, Senator Smith and the Sacramento League of Women Voters to allow these endorsements to be printed.

Example B: "...I am endorsed by Police, Firefighters, nurses and teachers throughout Sacramento County."

In Example B, the elections office would not require verification of the endorsement because the statement does not identify a specific individual or organization.

CANDIDATE STATEMENT GUIDELINES

Candidates are required to type their candidate statement. Your candidate statement will be printed as submitted and in the format prescribed by Elections Code 13307. Candidate statements that are not in compliance with the requirements and format as described in the Candidate Guide will be reformatted and set in uniform type by the elections official.

Notice to Candidates

The format of your statement may need to be changed by the elections official to accommodate the printing requirements of the County Voter Information Guide.

Contents

The candidate statement may contain the name, age, occupation of the candidate and a brief description, not to exceed the amount of maximum words and paragraphs for that office, of the candidate's education and qualifications expressed by the candidate.

The candidate statement must be written in the first person.

Example: "My name is John Smith and I have lived in Sacramento for 40 years. I am a successful business owner, community volunteer..."

Format

The statement should be typewritten, double-spaced and in standard paragraph style. Any candidate statement that is not in conformance with the guidelines will need to be retyped by the candidate or his/her authorized representative using the computer in our lobby.

DO NOT USE:

CODE OF FAIR CAMPAIGN PRACTICES

Any candidate for public office in this state is encouraged by the Legislature to subscribe to the Code of Fair Campaign Practices. It is the ultimate intent of the Legislature that every candidate for public office in this state who subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters.

Purpose

The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to discuss issues instead of untruths or distortions.

Code of Fair Campaign Practices Form

The elections official shall give the individual a blank form of the code and a copy of the Code of Fair Campaign Practices chapter. If you wish to subscribe the Code of Fair Campaign Practices, complete the form included with your nomination paperwork.

Voluntary

Public Record

All Code of Fair Campaign Practices forms filed by candidates will be available for public inspection at the elections office until 30 days after the election. Every code subscribed to by a candidate for public office is a public record open for public inspection.

**The provisions of the code and a sample copy of the form are provided
on the following page for your information.**

California Secretary of State
CODE OF FAIR CAMPAIGN PRACTICES
(Elections Code § 20440)

There are basic principles of decency, honesty, and fair play which every candidate for public office in the State of California has a moral obligation to observe and uphold in order that, after vigorously contested but fairly conducted campaigns, our citizens may exercise their constitutional right to a free and untrammelled choice and the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

- (1) I SHALL CONDUCT my campaign openly and publicly, discussing the issues as I see them, presenting my record and policies with sincerity and frankness, and criticizing without fear or favor the record and policies of my opponents or political parties that merit this criticism.
- (2) I SHALL NOT USE OR PERMIT the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or his or her personal or family life.
- (3) I SHALL NOT USE OR PERMIT any appeal to negative prejudice based on a candidate's actual or perceived race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age, sexual orientation, sex, including gender identity, or any other characteristic set forth in Section 12940 of the Government Code, or association with another person who has any of the actual or perceived characteristics set forth in Section 12940 of the Government Code.
- (4) I SHALL NOT USE OR PERMIT any dishonest or unethical practice that tends to corrupt or undermine our American system of free elections, or that hampers or prevents the full and free expression of the will of the voters including acts intended to hinder or prevent any eligible person from registering to vote, enrolling to vote, or voting.
- (5) I SHALL NOT coerce election help or campaign contributions for myself or for any other candidate from my employees.
- (6) I SHALL IMMEDIATELY AND PUBLICLY REPUDIATE support deriving from any individual or group that resorts, on behalf of my candidacy or in opposition to that of my opponent, to the methods and tactics that I condemn. I shall accept responsibility to take firm action against any subordinate who violates any provision of this code or the laws governing elections.
- (7) I SHALL DEFEND AND UPHOLD the right of every qualified American voter to full and equal participation in the electoral process.

I, the undersigned, candidate for election to public office in the State of California or treasurer or chairperson of a committee making any independent expenditures, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct my campaign in accordance with the above principles and practices.

CAMPAIGN DISCLOSURE REQUIREMENTS

The Political Reform Act requires all candidates for state and local elective office, all state and local elected officeholders, proponents of state ballot measures and committees supporting or opposing state and local candidates and ballot measures, to file campaign statements disclosing contributions received and expenditures made.

The statutory requirements of the Political Reform Act are now contained in Government Code § 81000 et seq. Information and assistance relating to campaign reporting obligations under the Political Reform Act may be obtained from the elections office or from the Fair Political Practices Commission.

Candidate/Committee Filing Responsibilities

All candidates are required to file campaign disclosure statements. Candidates for federal offices are subject to federal disclosure requirements and should contact the Federal Election Commission for more information.

It is the responsibility of the candidates and/or committees to be aware of and to file the required campaign disclosure statements in a correct and timely manner.

Where to File

The location in which disclosure statements are to be filed depends entirely upon the office that the candidate is seeking or the jurisdiction in which the committee is active.

When to File

Refer to the FPPC Filing Schedule deadlines on the following 4 pages.

Electronic Filing for Local Candidates/Committees

Sacramento County Voter Registration and Elections requires all candidates and committees that receive contributions or make expenditures totaling more than \$1,000 in a calendar year, to electronically file campaign statements. The County, in partnership with NetFile, now has a web-based data entry filing system that allows candidates and committees to electronically create and submit campaign disclosure statements.

Visit www.elections.saccounty.net and click on the Candidate and Campaigns link, then Campaign Finance Information to view existing campaign finance reports.

**For technical questions, State and Local candidates should contact the FPPC
while Federal candidates should contact the FEC.**
