## General Election Update

### Manual Tally of Ballots Ensure Accuracy

#### Public and media invited to observe precinct selection

On Monday, November 3, 2014, at 10:00 am Sacramento County Registrar of Voters Jill LaVine will select the precincts to be included in the 1% manual tally for the November 4 General Election. The manual tally is required by California law.

“For this election, it means all ballots cast in fifteen of the County’s precincts will be manually tallied to ensure the accuracy of the automated tally before certifying election results, and for each race not included in the 1% manual tally, an additional precinct with that contest is tallied” said LaVine.

The Manual Tally, once drawn, will begin the first Wednesday following the election.

Contact Alice Jarboe at 875-6255 or email [Jarboea@saccounty.net](mailto:Jarboea@saccounty.net) if interested in observing the manual tally selection process.
