### Online Campaign Disclosure is Now Available

Sacramento County Registrar of Voters announced that the Board of Supervisors has approved the testing phase for an online campaign disclosure system for any local elected officials, committees or candidate.

The Registrar of Voters has partnered with NetFile electronic filing system to provide a user-friendly tool that will streamline the preparation and filing of the campaign disclosure statements, and increase transparency by making it easier for the public to access campaign information.

Sacramento Registrar of Voters, Jill LaVine said “Local elected officials, candidates and committees now have access to online technology that makes filing their Campaign Disclosure statements fast and efficient.”
