APPENDIX A - VOTER ACCESSIBILITY ADVISORY COMMITTEE (VAAC)

DESCRIPTION

GOALS

• Assisting and advising county elections officials on existing programs to reach people with disabilities, and also provide advice on whether to create new programs.

• Advising county elections officials on where to set up voting equipment and how to recognize barriers to participation for senior voters and voters with disabilities.

• Assisting county elections officials in surveying polling places for compliance with state and federal accessibility guidelines. Evaluating an inaccessible polling place or voting area to determine if – with the use of temporary modifying equipment or measures – it can be modified to permit use by senior voters and voters with disabilities.

• Assisting and advising county elections officials in training Election Officers (Vote Center workers) to assist senior voters and voters with disabilities.

• Assisting in the recruitment of Election Officers (Vote Center workers) with disabilities or who are seniors.

• Assisting county elections officials to enhance website accessibility, including establishing a county website accessibility statement.

• Assisting county elections officials with implementing the Voter’s Choice Act and advising on outreach and education opportunities.

• Assisting county election officials on the creation and distribution of election materials to help educate voters with disabilities on services available such as the use of accessible ballot marking device, remote accessible vote by mail, voting assistance available at the vote center, curbside voting, and overall education on elections process.

Summary

Handouts provided to attendees included: Agenda; California Voter’s Choice Act Infographic; Guide to Voter’s Choice Act and Vote Centers in Sacramento County; Sacramento County Voter Registration and Election, Election Administration Plan E.C 4005 (a) (10) (I) Discussion and Consultation Document; VAAC Membership Applications.

Call to Order: Committee Chair, Courtney Bailey, welcomed all guests to this 1st meeting to establish a Sacramento County Voting Accessibility Advisory Committee (VAAC). She provided the background for Sacramento County’s move to the Voter’s Choice Act and a brief summary of the Vote Center model being rolled out in June 2018.

Welcome and Meeting Protocols: Alice Jarboe, Assistant Registrar of Voters for Sacramento County Voter Registration and Elections, welcomed the attendees and reviewed meeting protocols, emphasizing the open and inclusive nature of the County Voting Accessibility Advisory Committee (VAAC).

Membership Applications and Appointment of Members: The Voters Choice Act (VCA) directs the implementation of a VAAC to allow for community input. Applications for VAAC committee members are being accepted. A minimum of 7 committee members are desired and applications will be accepted on a rolling basis. Paper applications were made available. The application is also available online on the county’s website.

Discussion: The group discussed the development of the Draft Election Administration Plan and access to the elections process for voters with disabilities. Several questions were fielded during discussion regarding accessible marking devices, cost of the
APPENDIX A - VOTER ACCESSIBILITY ADVISORY COMMITTEE (VAAC)

devices, accessibility for drop-off locations, accessibility for the blind, handling languages, poll watchers ability to “get out the vote”, requesting Vote Center sites, and casting ballots through a scanner or Vote by Mail envelope.

The questions will assist the Election Office in developing a list of FAQ's. Many of the answers are found in the Voter's Choice Act, i.e., three voting accessible terminals being required at each Vote Center. Answers will develop as the Election Office procedurally works through the implementation of the Voter's Choice Act.

Meeting wrap up and things to think about for next meeting:

- Interested committee members were reminded to complete an application. There are 7 committee applications so far and more are welcome. The VAAC is open to the public so please pass the word along to anyone that may be interested.
- What percentage of voters will have accessibility needs? It was suggested that the Social Security Administration may have data on the number of residents receiving disability benefits.
- We are looking for public input to develop the Election Administration Plan.
- What is a good location for these meetings, what time should we start, how long should they be, and how frequent? It was suggested no longer than 90 minutes and locations suggested were the Sacramento Admin Building, Central Library, City Council Chambers, SMUD Building, Voter Registration Office, DSA Headquarters, and roaming locations, i.e., in Elk Grove. Locations with best accessibility for buses and a meeting end time that doesn't exceed the time buses stop running was requested. Frequency suggested was twice a month and then reduce to once a month.
- Other suggestions for meetings included: Have a sign language interpreter, offer to teleconference the meeting in case people cannot attend in person, closed captioning, serve refreshments, and pay for bus fare.
- How do we get the information out, Google Docs?
- Mindy Romero with California Civic Engagement Project would like to present a tool for helping us choose our locations.
- Regional Transit is working on an optimization plan that may affect services around Vote Center locations.

The next VAAC meeting:

August 16th
6:00 p.m. to 7:00 p.m.
Elk Grove City Council Chambers
8400 Laguna Palms Way
Elk Grove

Summary

Handouts Provided: Agenda; California Voter's Choice Act Infographic; Guide to Voter’s Choice Act and Vote Centers in Sacramento County Brochure; Vote Center Information Flyer; Election Administration Plan Discussion and Consultation Document; VAAC Open Call for Membership; and VAAC Membership Applications.

Call to Order: Committee Chair, Courtney Bailey, called the Sacramento County Voting Accessibility Advisory Committee meeting to order.

Attendees introduced themselves and everyone was reminded to sign in. Current VAAC member applicants in attendance included: Donald Tuttle, Inderjit Kallirai, Irene Capps, Jennifer Garets, Marianne Knoy, Margaret Johnson, and Russell Rowlings. Not present: Richard Stanley, Carol Moss, Charlene Jones, and Nick Bloise.

VAAC Committee Members will be officially appointed at the next meeting.

Opening Comments:

- The Voters Choice Act (VCA) directs the implementation of a Voting Accessibility Advisory Committee (VAAC) to allow for community input. This committee will assist the Sacramento County Voter Registration & Elections Department (VRE) by providing input and feedback for developing the County Election Administration Plan as directed by the Voter’s Choice Act.
- A two year commitment is anticipated for committee members. Member applications will be accepted on a rolling basis. Paper applications are available at meetings and available online on the county’s website.
APPENDIX A - VOTER ACCESSIBILITY ADVISORY COMMITTEE (VAAC)

• Background was given for Sacramento County’s move to the Voter’s Choice Act and a brief summary of the Vote Center model being rolled out in June 2018.

Discussion/Questions

Discussion centered on the VAAC responsibilities and what issues will be addressed.

• Input on Vote Center locations. VRE would like input on locations that will meet accessibility and other site requirements to host a drop box for 29 days and 4 and 11 day Vote Center sites and how to best present those sites to the public.
• Resource ideas to help educate the public: We need more mechanisms to get out the word about VCA. Suggested: State resources, disability newsletters, county newsletter, and social media.
• Need to improve our website to make accessibility information more prominent on the home page. Dedicate a page just to disabilities; remote accessible voting; more comprehensive information on voters with disabilities.
• Specific media outreach suggestions. The County Media Office (CMO) controls any social media requests. Budget is limited at about $71K. We can go back to the Board and make requests in early December. Suggestion: Are there grants available to help with outreach costs?
• A more in depth presentation of the VCA was requested to help educate the committee. Suggested: Also educate on the county’s accessibility surveying process.
• A concern about duplication of efforts was voiced. It was noted that Sacramento County is one of a small group of counties to be first in implementing this new voting model.
• Public consult meeting dates are yet to be determined.

Meeting Wrap Up Items:

• It was agreed that it would be helpful to have notice of topics that will be discussed in advance for each meeting so there is an outline to help stay on track. Other topics suggested: Updates on location selection process, site surveying for accessibility, county web page disability resource information, voting equipment, social media use, outreach events, remote accessible voting and building the Election Administrative Plan.
• A survey for committee member’s availability will be emailed to help identify best locations, days, and times for meetings.
• Courtney will send out an outline of future meeting topics and the date, time and location of next meeting.

Summary

Handouts Provided:
Meeting Agenda; 2017 VAAC Meeting Schedule, August 1 & 16 Meeting Recap, VAAC Goals, and Voter’s Choice Act Presentation

Call to Order:
Committee Chair, Courtney Bailey, called the Sacramento County Voting Accessibility Advisory Committee meeting to order. Committee Members and attendees introduced themselves.

Committee Members in attendance included: Donald Tuttle, Richard Stanley, Nick Bloise, Margaret Johnson, Russell Rawlings, and Terry Schanz.

Committee Members Not Present: Indi Kallirai, Irene Capps, Marianne Knoy, Carol Moss, and Charlene Jones.

Appointment of Members:
Committee Member in attendance were officially appointed and sworn in.

Agenda Items and Discussion Comments:
• Request for any revisions to August 1st and 16th meeting notes were taken for updating, encouraging action items to follow-up on for subsequent meetings.
• Reviewed the goals of the VAAC.
• There will be a SOS hearing on 9/27/17 for certification of Remote Accessible Voting Systems (ROVS) from Democracy Live and Five Cedars.
APPENDIX A - VOTER ACCESSIBILITY ADVISORY COMMITTEE (VAAC)

- In order for voters to vote privately and independently, equipment consideration should be made for visual, intellectual, and manual dexterity disabilities.
- Voters will be able to bring their own assistive devices to use on our equipment, i.e., an assistive sip and puff device, to any Vote Center or vote from home with their own equipment using the ROVS online to mark their ballot.
- Two Public Consultation Meetings will be held September 15th. The first meeting will be held from 10:00 a.m. to 11:30 a.m. and focus on voter accessibility. The second meeting will be held from 1:00 p.m. to 2:30 p.m. and will focus on language accessibility. Both meetings will be held here at the Voter Registration and Elections Office.
- Members suggested that Consultation Meetings be held at 6:00 p.m. in order to get more public participation.
- It was acknowledged that the County Voter Registration and Elections website was improving with the addition of several resources links.
- Elk Grove E-Transit is terminating weekend service in October.
- Members requested a calendar of VCA implementation items and progress of those items.
- The SOS Working Group is focusing on how the “get out the vote” effort will work with the Voter’s Choice Act.
- Presentation of the Voter’s Choice Act.
  - Sacramento, Napa, Nevada and San Mateo counties have adopted the VCA so far.
  - To address the 14 considerations for Vote Center locations in SB450, data from the American Community Survey (ACS) that is based on census tracts and data from our Election Management System was used to create the maps that identify areas of greatest need for Vote Centers.
  - New 2016 ACS data is coming out this Thursday, 9/14/17
- Comments about VC considerations for locations included: Mega churches have large parking spaces and usually more available space; consistent and recognizable community location like libraries, government office, community centers would be ideal VC’s; would not recommend police stations because of the intimidation factor for some communities; plenty of chairs need to be provided for voters

Action Items:

- Will data maps be updated with 2016 ACS information?
- Can we map populations of seniors over 65?
- Can we calculate how many people will show up at Vote Centers by looking at past polling place statistics for votes cast at polling places? How many ballots dropped off per location?
- Previous meeting question- Are there grants available to help with outreach costs?
- Calendar on VCA Implementation (check with Nevada County)

The next VAAC meeting will be held on September 26th at 6:00 p.m. to 7:00 p.m. here at the VRE Office.

Summary

Handouts Provided:
Meeting Agenda; 9/26/17 Meeting Summary, Polling Place Survey Presentation & Review Forms, De Minimus Departures per DAC/VAAC Suggestions, Inaccessible Polling Places- November 8, 2016, Public Hearing on Request for Approval of Voting Technology

Call to Order:
Committee Chair, Courtney Bailey, called the Sacramento County Voting Accessibility Advisory Committee meeting to order. Audience introductions were made.

Committee Members in attendance included: Carol Moss, Marianne Knoy, Donald Tuttle, Richard Stanley, Nick Bloise, and Terry Schanz.

Committee Members Not Present: Indi Kallirai, Irene Capps, Charlene Jones, Russell Rawlings, Margaret Johnson

VAAC Co-Chair Position:
Courtney requested that anyone interested in being the VAAC Co-Chair to please let her know.

Review of Previous Meeting’s Recap and Action Items Results:
- No changes or additions to the previous meeting summary were requested.
- 2016 American Community Survey data at census level will come out in December. VRE will determine at that time if we will update the information.
APPENDIX A - VOTER ACCESSIBILITY ADVISORY COMMITTEE (VAAC)

- Map of voters over 65 presented. Data came from the county voter database. The median age of voters is 48 years.
- It is difficult to anticipate the traffic flow of VC’s because voters can go anywhere in the county. With current precinct data, voters were assigned a specific polling place to cast their ballot. A map was displayed representing the number of voters who cast ballots at the polls in November 2016 by the nearest site that has said yes to a 4-Day Vote Center. Another map of Vote by Mail Ballot drop-offs at Polls was also displayed.
- Currently there are grants available through Voter’s Choice California for Community Organizers and Leaders to support the effective implementation of the Voter’s Choice Act. Grant amount are $1k to $10K and you can apply at https://voterschoice.org/apply-for-a-grant/. There is also a bill for state funding (SB 113 has been signed by the governor and disbursement of the funds is in the works). A letter from advocates to the Sacramento County Board of Supervisors was sent encouraging a budget increase for elections outreach and media.
- The calendar for Voter’s Choice Act Implementation is still in the works.

Agenda Items and Discussion Comments:

- DAC and VAAC members were invited equipment demonstrations held right before our VAAC meeting. Democracy Live and Five Cedars demonstrated their Remote Accessible Vote by Mail ballot marking systems (RAVBM) and ES&S and Dominion demonstrated their ballot marking equipment for accessible voting at a Vote Center. Any comments on the equipment demos should be emailed to Courtney.
- Can RAVBM be used by anyone? The RAVBM is intended for voters with disabilities and overseas and military voters to use. You are not required to prove that you have a disability in order to mark your ballot with RAVBM. With our current RAVBM for military voters, voter files are uploaded daily and able to use get their ballot to mark. “At-home ballot marking” was a term suggested for use to describe this process.
- The Secretary of State’s website contains the staff reports on the voting equipment testing and certification.
- VRE website verbiage approved for Accessible Voting webpage. Courtney will send out for review and comment by VAAC members.
- Mindy Romero with California Civic Engagement Project will present a tool to help in identifying areas that need Vote Centers at the October 10th VAAC meeting.
- Courtney reviewed the physical access requirements, procedures, mitigation techniques, and forms used for Vote Center and Ballot drop-off location review. Also discussed were:
  - “de minimus departures”, or allowances just outside the state standards that the County DAC helped to establish in 2014 to help determine the severity of the barriers at a location.
  - Ratings for accessibility, lighting, availability, interest and location (visibility)
  - Public Transportation concerns were brought up over some not running and inaccessible paths of travel. Courtney to work with Regional Transit and Paratransit more closely on status of public transportation stops and services.
  - Courtney: Off-street parking required to have one van accessible parking space. If the entire parking lot has excessive slopes (a particular location in Folsom), is it misleading
to put a Van Accessible sign here knowing that it is not van accessible and a wheelchair lift could not land there?

**Action Items:**
- When will the next consultation meetings be scheduled?
- Request for more information on polling place turnout, including seniors and AutoMARK usage
- Social Security data (from Richard Stanley) analysis on people who receive benefits by zip code needs to be completed. Also, inquire about data from DMV on temporary and permanent placard holders.

The next VAAC meeting will be held on October 10th at 6:00 p.m. to 7:00 p.m. here at the VRE Office.

Summary

Handouts Provided:
Meeting Agenda; 9/26/17 Meeting Summary

Call to Order:
Committee Chair, Courtney Bailey, called the Sacramento County Voting Accessibility Advisory Committee meeting to order. Audience introductions were made.

Committee Members in Attendance: Margaret Johnson, Irene Capps, Russell Rawlings, Charlene Jones, Donald Tuttle, Nick Bloise, Theresa Riviera

Committee Members Not Present: Carol Moss, Indi Kallirai, Richard Stanley, Terry Schanz, Marianne Knoy

VAAC Co-Chair Appointment:
Margaret Johnson accepted the position of Co-Chair

Review of Previous Meeting’s Recap and Action Items Results:
- No changes were requested to the 9/29/17 meeting notes.
- The date for the next consultation meeting is scheduled for October 16th from 4 p.m. to 6 p.m. and will be held at the County Admin Building at 700 H Street, Meeting Room 2.
- Still to come- a map of Social Security data to help identify areas of high disability benefit recipients. Richard Stanley will provide the information and the Elections Office will create the map.
Agenda Items and Discussion Comments:

- Vote Center & Ballot Drop-off Location Siting Tool Presentation by Guest Speaker, Mindy Romero from the California Civic Engagement Project:
  - CCEC is developing an interactive siting tool that will assist Elections Officials with varying budgets to identify areas where the need is the greatest for Vote Centers and Ballot Drop-off Boxes in their counties.
  - SB450 requires counties to take into account 14 criteria when selecting sites. Mindy reviewed each of the criteria and the various data sources. The map will identify sites down to a several block area. This tool will be publically available to view.
- Mobile Vote Centers are an option for additional Vote Centers above the required number. Suggestions were made to have these available at food truck events, farmer’s markets, and other local events, low population large geographical areas. Also, mobile sites could be added just for Election Day. The elections office does not foresee implementing mobile vote centers for the June 2018 election at this time.
- Concerns voiced about street parking not giving enough room for van accessibility. No on-site parking will receive a score of “0” for a parking rating.
- Pedestrian walk audits suggested.
- The accessible voting web page has been updated. Courtney will send out the link to the site and asks that committee members please review and email her with any corrections or revisions by end of week so translations can be completed.
- The Elections office will be holding a Poll Worker Appreciation Event the week of 11/13/17. Session will be scheduled throughout the week and participants will receive service recognition and an introduction to the Voter’s Choice Act. They will also learn about the new staffing opportunities available to them.
- Feedback needed on how to present maps without facility names to show sites that have said they are available or are a “maybe” status.

Action Items:

- Next meeting agenda items to include Vote Center Locations/Drop Boxes, street parking vs. parking garages, accessibility ratings, public transportation partners, and outreach materials
- Email committee with link to story map.

The next VAAC meeting will be held here on November 7th at 6:00 p.m.

Summary

Handouts Provided:
Meeting Agenda; 10/10/17 Meeting Summary, Vote Center Selection Handout

Call to Order:
Committee Members in Attendance: Margaret Johnson, Irene Capps, Russell Rawlings, Charlene Jones, Donald Tuttle, Nick Bloise
Committee Members Not Present: Carol Moss, Indi Kallirai, Richard Stanley, Marianne Knoy, Terry Schanz, Theresa Riviera

Review of Previous Meeting’s Recap and Action Items Results:
- No changes were requested to the 10/10/17 meeting notes.
- An email was sent to Committee Member with the link to the story map on the election’s website.

Agenda Items and Discussion Comments:
- New Voting System vendor has been selected and the county has announced their “Intent to Award” to Dominion and are in contract negotiations. Dominion will be providing the primary voting system and will include equipment for central counting and the accessible voting machines. Other vendor selections included: Runbeck for the ballot printers; Tenex for help desk support; and Democracy Live for Remote Accessible Voting.
- There were concerns regarding the table height of the Dominion accessible voting machine that was demonstrated to the committee members previously.
APPENDIX A - VOTER ACCESSIBILITY ADVISORY COMMITTEE (VAAC)

This will be addressed during contract negotiations. It was also noted that the screen can be angled up and down.

- There will be a Mock Election in January to test out the equipment software including ballot acceptance testing.
- Reviewed how we will select VC sites including what we look for in an ideal location, consideration of the 14 criteria in SB450, and the accessibility and parking ratings from our surveys. We will first be selecting our 11 Day sites.
- Update: We received approval for VAAC business cards. These cards will have the county information on the front and personal information can be added on the back of the card.
- Public Education Workshops for 2 weekends in April 2018 are scheduled at 7 libraries (Colonial Heights, McKinley, Valley Hi- North Laguna, Rancho, Cordova, Carmichael, North Highlands, and Walnut Grove). VAAC members are welcomed to help!
- The Partnership Training Materials will be introduced at the November 29th Language Accessibility Advisory Committee Meeting. VAAC Members would like to be able to review the materials in advance, if possible. Members are welcome to come to the LAAC to see the presentation.
- Website updates: LAAC webpage is up and located under the “Get Involved” tab. The Outreach Calendar is on its own page. You will find the “Comment” page under “Contact Us”.
- Discussed the need to have disability recommendations on our websites to help identify barriers that may be encountered at selected Vote Center and sites that are well connected to public transportation should also be noted.
- Need suggestions for a better name for Remote Accessible Vote by Mail. Educational materials are needed to educate voters on their options.

**Action Items:**

- Send out Partnership Training Materials when completed to VAAC Members for review. The presentation will be introduced during the LAAC meeting on 11/29/17 if anyone would like to see the presentation.
- Future meeting for Democracy Live to demonstrate how RAVBM works and a demonstration for the Accessible Voting equipment. It was suggested that we have a meeting just for this topic.
- How will this work for people in the hospital if they need to do Conditional Voter Registration?
- Put confirmed VC selections on website
- Voter’s Choice Act timeline
- Send link to SOS website for breakdown on ratings and equipment usability surveys.
- Will there be any more public consultation meetings? Courtney will find out if there will be any more meetings scheduled
