

VOTING OPTIONS FOR NO PARTY PREFERENCE VOTERS FOR THE MARCH 5, 2024 PRESIDENTIAL PRIMARY ELECTION

Do you want to vote for a presidential candidate in the March 2024 Election?

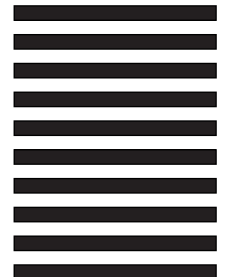

You received this postcard because you are not registered with a political party and are considered a No Party Preference voter. Some parties will allow you to crossover and vote for their candidates. As a No Party Preference voter, you have three options:

1. Do nothing. You will be mailed a ballot in early February that **does not** include candidates for President.
2. Complete the request on the other side of this postcard to crossover and vote for an American Independent Party, Democratic Party or Libertarian Party Presidential candidate, and return it by **January 7, 2024** to ensure your preferred ballot is mailed to you in early February.
3. Re-register with the Green Party, Peace & Freedom Party or Republican Party by **February 19, 2024** to be mailed a ballot with that party's Presidential candidates. You can register to vote online at www.registertovote.ca.gov.
